SANDA

Two Days Before the Child Bandit Attack

Another Crazy Thing Happened?

ITAGAKI PARU

Today, you're going to sleep

With me.

.....

She's trying to freak me out again

I'm gonna go for a walk.

Okay, have a good one!

(NAGATO)

A relationship that can't be described in one word!?

I think that's probably what everyone wants to know the most.

That's ...

Is 'sleeping' some kind of keyword?

...so? What's the relationship between Sanda and Fuyumura?

I'm serious.

T/S: Fuyumura has what 90% of what every person here in the states wear (Even me)

WoAHHHH-
HHHHHHHH-
HHHHHHHH-
HHHHHHHH-
HHHHHHH!!

Santa Claus gets his strength from having a sleeping child by his side, right?

THUD

4

Eek!

So? Wanna try it?

... Give me a sec.

You're usually only good for five pushups, so let's see if you're really that strong.

Don't make me trans -form with -out asking, my head keeps hitting the ceiling!

Put your colthes on!

But... I've been thinking about that night a lot lately...

BAM

OW!

...That night?

Ono and I once... showed each other out naked bodies.

I know it sounds stupid, but...

But sometimes you can't see the true nature of a relationship unless people show each other their naked bodies.

I still regret that I ran away that day.

When you grow up, every relation -ship has to have a name...!

Otherwise, when they break, you won't know how to fix them...

Boys and girls...

Santa and children...

The shorts and the talls...

8

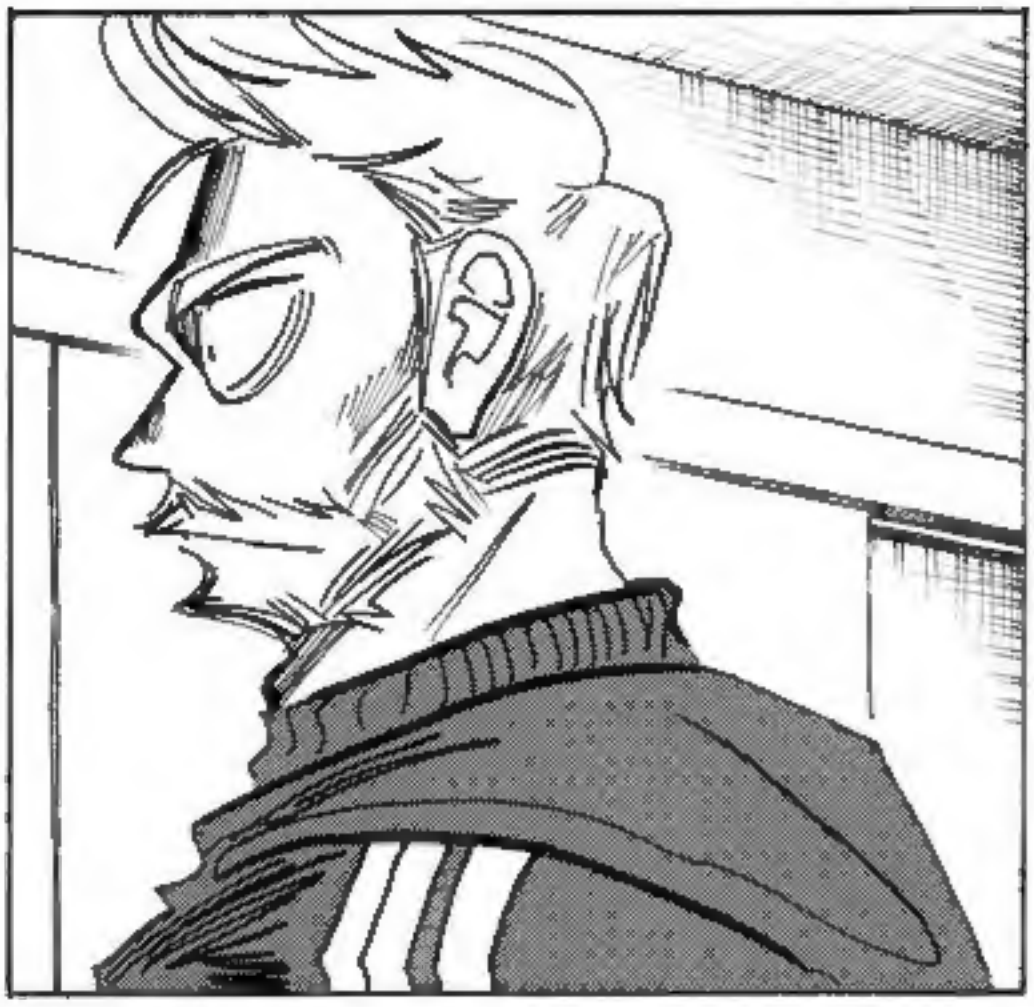
And then one day I'll regret it...

If we don't decide... I can't face Santa.

Relation
-ship, huh?

Alright.

Unzip



9

I'll decide with push-ups

(Unzip)

I might be not fit enough to raise and lower this huge body.

What?

I can barely ten.

And then me and you are like Santa and child

That means I'm able to keep Santa's strength up.

And if I... well, if I keep doing push-ups until you wake up...

Then we're in a boy-and-girl relation-ship after all.

But if I can't do my push-ups because I'm distrac-ted by your naked body...

So, can you trust me and sleep?

Nope

Well... I'm doing it on my own then...

Gym Storage

...teen!

Six...

Fif...
teen!

...And so tight...

I'm over 300kg!

Guuh!

It's so heavy...

T/S: 300kg -> ~661 lbs

Look!

Fuyumura! I'm getting so big even my clothes are ripping!

ARGH!

RIIIP

...Oh...

Ba-dum

She fell asleep.

Geez

Ba-dum

Ba-dum

Well I can't keep being Santa

Ba-dum

A blizz -ard?

No, is that...

…

I got enough power from you,

Fuyu -mura.

I'm spent.

HA...

Hey, Fuyu -mura, you awake?

HA...

We don't have to show each other naked anymore.

(2345)

I'm here.

I can't see his face, let alone know if he's naked.

Hey... You there, Fuyu -mura?

Somehow we still can have a conver -sation in this warm snow landscape

Even if I can't see him, I already knew.

We're the best combo now.

"Sanda and Fuyu -mura"

Our relation -ship is ...

...

Stare

There's no sub -stitute for it.

I can't stand this old man humidity anymore! I have to open the window!

No, no, no, you'll expose yourself!!
